

Animal Origin Statements on Raw Material

March 31st, 2022

Based on 1st tier supplier material review, SDS sheets and our own research GWS Tool Group products are not of animal origin and do not contain, make use of, or involve, at any point of their manufacturing processes, raw materials of animal origin, including animal proteins. GWS Tool Group does not store any products of animal origin, including animal proteins, in its manufacturing facility or warehouse.

Thus, to the best of our knowledge, based on research conducted on our raw materials, SDS sheets, and the processes used to manufacture our products, our products are free of:

Animal Derived Materials

- Specifically, 29401610A #21 2FLT drill

This document is a statement of our knowledge based on our research, and 1st tier vendor statements, true to the best of our knowledge, at the time of its writing.

We gladly will furnish material specific declaration and compliance letters, please contact your sales rep, and specific a) which compliance declaration you need b) what part number and which GWS location your request relates to.

Thank you for your business.

Sincerely,

David Jung
